Success Stories

Addecco and OhioMeansJobs Stark and Tuscarawas Counties

Addecco held a hiring event at the OhioMeansJobs Tuscarawas County Center on March 23, 2023. After some time, Recruitment Specialist, Anita Rutledge, noticed there was not much traffic coming in for the event.

She then created multiple Facebook videos in an attempt to stir up some interest. Within the hour, four job seekers came to the hiring event, citing the videos as the reason for their attendance. Six job seekers showed up in total, and Addecco saw potential in all six. Addecco was thrilled with their results and look forward to using the OhioMeansJobs Centers for future hiring events.

Stark Forum: State of the Workforce Event Hosted by the Canton Regional Chamber of Commerce

The Canton Regional Chamber of Commerce held the Stark Forum: State of Workforce event on Friday, March 31st. The goal of the event was to discuss workforce challenges and explore how we can best capitalize on opportunities for the benefit of our businesses, our workforce, and our communities as a whole.

JoAnn Breedlove, Executive Director of the Stark Tuscarawas Workforce Development Board, spoke at the event as part of the Regional Workforce Panel.

Lori Douglass and Anita Rutledge also attended the event to represent OhioMeansJobs Stark and Tuscarawas Counties to provide information on resources for businesses.

NAWB Forum Highlights The Modern Workforce

National Association of Workforce Boards held their annual conference May 25-May 28 in Washington DC. This year's theme centered on the "Modern Workforce - Leading by Example; Led By Purpose".

Ohio workforce systems were actively engaged in The Forum sessions including the presentation "Using Behavioral Nudges to Increase Young Adult Utilization of Workforce Services: Lessons from Ohio" with representatives from Cleveland/Cuyahoga County and Ohio Department of Job & Family Services presenting lessons learned from a learning partnership between workforce boards, DOL's Chief Evaluation Office, and the American Institutes of Research to implement and test a series of new text-messages drawing on behavioral science.

"Igniting Community & Participant Engagement 2.0" featured Ohio Workforce Area 7's Rocky Rockhold sharing information on how the Greater Ohio Workforce Board is serving as an apprenticeship sponsor that has enhanced their level of engagement with business.

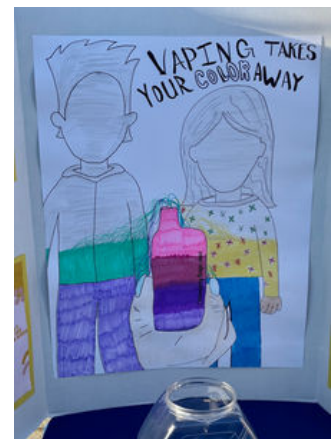

Ohio representatives visited The Hill and had a chance to stop by their congressional offices and share information from their local areas.

Don't be Fooled by Big Tobacco Event Hosted by The Tuscarawas County Health Department and Leadership Tusc

The Tuscarawas County Health Department (TCHD), in partnership with members of the 2023 Leadership Tusc Class, which includes OhioMeansJobs Stark and Tuscarawas Counties Employment Services Manager, Logan Little, put together the "Don't be Fooled by Big Tobacco" event on April 1st.

The event was held in collaboration with National Take Down Tobacco Day, an annual event put on by the Campaign for Tobacco-Free Kids. During the event, there was a litter cleanup around downtown New Philadelphia, a resource fair, and an art show. The art show highlighted advocacy art projects created by the high school Youth-to-Youth groups at Claymont, Strasburg, and Tuscarawas Central Catholic.

Buckeye Career Center Hosts 8th Grade Career Carnival

Buckeye Career Center gave eighth-grade students the chance to explore possible career paths during the 8th Grade Career Carnival, held March 14. There were several "career clusters" for students to visit and learn about various careers. Speakers attended the event to give the students insight to the real world and also introduce them to careers they may have not known existed. Lori Douglass attended the Career Carnival, representing the OhioMeansJobs Stark and Tuscarawas Centers.
