Angela's Journey From Caregiver to Medical Assistant with OhioMeansJobs Stark & Tuscarawas Counties

Angela Foster always enjoyed helping others, working multiple jobs as a Direct Support Professional (DSP) and Certified Nursing Assistant (CNA), but she knew there was more out there for her.

Ready for a change, she attended an orientation made available at OhioMeansJobs Stark County and secured funding to train as a Medical Assistant at Larock Healthcare Academy. Determined to succeed, Angela doubled up on coursework, finishing two months early!

Within weeks, she landed a Medical Assistant position at Ortho United, earning \$17 an hour, continuing her healthcare career journey.

Tech Tips

This month's tech tips look at 6 Windows accessibility features and conditional formatting in spreadsheets.

Windows accessibility features aren't just for individuals with disabilities; they can make navigating technology easier for everyone. Whether you're preparing for an online interview, drafting a resume, or organizing job applications, tools like voice typing and improved readability can help you work more efficiently.

Conditional formatting in spreadsheets can be a game-changer when tracking job applications, managing work schedules, or analyzing workforce trends. Instead of manually sorting through data, you can use this tool to highlight key information at a glance—saving time and reducing errors.

Embracing these tech tools can streamline your workflow and enhance productivity, whether you're job searching or managing workplace tasks.
